

Northern Virginia Conservation Trust Nearby Nature BioBlitz

GUIDE FOR PARTICIPATION (on a mobile device)

If you need to get the iNaturalist app...start at Step 1

If you have the iNaturalist app but don't have an account yet...go to Step 3

If you are signed up on the iNaturalist app and are looking for projects...go to Step 5

If you are looking to find NVCT's Nearby Nature BioBlitz...go to Step 7

If you are looking to join NVCT's Nearby Nature BioBlitz...go to Step 9

If you are looking for more information about adding observations, etc., go to nvct.org/bioblitz-get-started and click the buttons for “How to Add Observations”. There are text guides and video tutorials available through iNaturalist for your convenience.

Once the NVCT Nearby Nature BioBlitz project begins on October 14, your observations will be automatically added to the project on the app.

STEP 1

Access your App Store (iPhone) or Google Play Store (Android).

STEP 2

Search "iNaturalist" in the search bar of your given app store.
